

Hi (Podcaster Name)!

(Start with a comment about how you came across the podcast.)

My name is Alexa and I work for [Independent Podcast Network](#). I have to say, after checking out (Podcast Name) I had to reach out! I believe our CEO, Sunny Gault, would be a great fit to be a guest on (Podcast Name).

A little background on Sunny. She has over 17 years of podcasting experience. She started her own network with the intention to help up-and-coming entrepreneurs grow their businesses. With your background, I know you can agree that podcasting is an incredibly powerful way to connect small businesses with their clients. Sunny sincerely wants to help passionate podcasters and I truly believe that a conversation between the two of you could generate a lot of quick, valuable content for (Podcast Name).
